\$1,499,000

2019 VIKING 44 OPEN

Our Viking 44 Open "Fluid Power" has a lot more than just stunning exterior lines, she is powered with MAN T-800 diesels providing a 30 knot cruise, 34 knot top end and approximately 350 mile range. All of her services have been performed by certified dealers such as Shore Power Systems (MAN dealers) for 400 hours service and A1 and A2 scheduled services 2023, Sea Keeper serviced 2023, Dometic HVAC and Sea Exchange System annual service 2023.

The current owner is a commercial hydraulics specialist and experienced operator well versed in sport fish and yacht ownership with emphasis on service. It is his nature to have every system serviced specific to manufacturer's schedule and operating smoothly.

"Fluid Power" has the benefit of a full time captain, weekly exterior washes and spot waxing and an owner direct service relationship with the Viking factory service facility in Riviera Beach, FL for occasional services.

Please feel free to contact Dave Shields, Exclusive Agent, for further details at 410-829-0080 (cell) or dave@oceanclubyachts.com

OCEAN CLUB YACHTS

YOUR SOURCE FOR PRE-OWNED SEA RAYS, AZIMUT, SUNSEEKER YACHTS

Viking 44 Open – the New Jersey powerhouse delivers a fishing and cruising gem that has the soft, stable performance and interior comfort and accommodations of a much larger boat. Viking's 44 Open not only appeals to families ready to take the next step into the Viking lifestyle, it's also a logical choice for owners of outboard powered Center Console boats looking for more comfort, conveniences and weather protection. Because of its efficient use of space and larger boat amenities, the 44 Open also gives seasoned owners who are looking to downsize the opportunity to continue experiencing Viking quality and performance.

The Command Deck shares many of the practical and notable aspects of its larger siblings, including Viking's signature and tournament proven centerline forward Helm Station on a raised platform for enhanced visibility. The beautifully finished fiberglass windshield frame's mullions are strategically placed for a gin clear view forward. The Console holds a bank of electronics displays. Recessed compartments accommodate radios and additional equipment, plus accessory switches and controls.

The Costa Clear enclosure and air conditioning will keep you comfortable on the spacious Command Deck that included three adjustable pedestal seats. A table accompanies a four person L-shaped lounge outlined with comfortable padded seating. The port Console holds refrigeration and stowage that included tackle drawers. Outfitted with a custom designed and built Palm Beach Towners Tuna Towers, another of Viking's experienced subsidiaries, the 44 Open comes ready to fish with a second complete Helm and additional electronics, a fiberglass buggy top and Rupp outriggers.

A sliding Companionway door and large set of stairs with a starboard side vertical handrail lead to the climate-controlled Salon. With its 16 ft 4 in beam, the widest of any boat in this class, the Salon is a spacious social area for relaxing and entertaining. The starboard side Galley, which sits opposite an L-shaped lounge with a dinette table, includes teak cabinetry with meticulous joinery and fit and finish, expansive Corian countertops, an electric range, separate under counter refrigerator and freezer units, and a microwave oven / convection oven. Other notable amenities include a stereo system with a 24 inch flat screen HD TV.

In the forward Master Stateroom, the island queen bed a with mattress has a lift-up top with gas pistons and maple-lined storage underneath. There's also a maple lined hanging locker. Air conditioning, a 22 inch flat screen television and access to the Head and shower round out the amenities.

The Head has custom Amtico flooring, a one-piece molded Corian countertop with rounded edges and a sink with a stain nickel faucet. With its two-person berth, the aft Guest Stateroom can accommodate another couple and make for a nice hideaway for the kids.

Just steps away from the Command Deck, the 119 square foot cockpit is tournament ready with flush rod holders, a transom live well, and a transom door with a lift gate, tackle stowage, step-box coolers and in-deck fish and stowage wells. Guests can take in the fishing action from the Observation Mezzanine's aft facing lounge seating – which has freezer storage underneath.

OCEAN CLUB YACHTS

YOUR SOURCE FOR PRE-OWNED SEA RAYS, AZIMUT, SUNSEEKER YACHTS

With her raked bow, swept back wraparound windshield and gently sloping sheer the 44 Open presents a picture of strength and style. The running surface is equally adept with a 14.3 degree transom deadrise and a design that delivers lateral response for the utmost confidence in a seaway.

With twin MAN 800 HP diesels, the 44 Open will cruise at 30 knots with a top end around 34.5 knot depending upon load, sea conditions, and other environmental factors. The Engine Room, Lazarette, forward bilge and anchor locker are all painted with Snow White awlgrip for maximum visibility and easier maintenance. A Delta – T Engine Room ventilation system, an oil exchange system and an Onan 13.5kw E-QD (electronic quiet diesel) Series generator are just some of the mechanical and electrical equipment.
