Timing is everything! We are proud to offer this custom 2001 Sea Ray 540 CMY for sale. Located in the brackish waters of Maryland, this 540 has had the benefit of two knowledgeable and caring owners who have spared no expense regarding upgrades and scheduled services. This 540 CMY is the only one equipped with upgraded Caterpillar C-12 T-800 hp diesels which have recently received their CAT major 1000 hour service. "Salt & Sand" is ready for your immediate walk through, sea trail and survey. The owner will provide copies of his service records and upgrades for your review at survey. If you're interested in a three stateroom layout with full beam master, massive air conditioned / heated bridge and upper / lower stations, you will find this 540 CMY is competitively priced for everything it has to offer!
